# Travel Directions

Please be aware that we are on Jubilee Campus not University Park Campus

## **Road:**

If arriving by car – please use the Main Entrance from the A609 Ilkeston Road. For Sat-Nav, use postcode NG8 1BB. If a barrier is in operation, please inform the guard that you are visiting the Jubilee Conference Centre.

Once on campus, follow the signs for either Southwell Hall or Jubilee Conference Centre, depending on your arrival time (see Event Information for details).

Parking is free on campus but ensure that you obtain and display a parking permit from University staff at Southwell Hall or Jubilee Conference Centre.

## **Rail:**

The closest railway station is Nottingham (East Midlands Railways). The conference site is approximately 2 miles away.

For Taxis, exit the railway station at Station Street where there is a taxi rank (approx. 10-15min journey to the Conference Centre).

For buses to the site, either use the Tram or walk into the City Centre (approx. 5-10min)

## **Bus (from Nottingham City Centre):**

Nottingham City Transport (NCT) operates buses from various points in the city centre to the campus. Bus routes 28, 30, 53 L10 and L12 will stop at the Campus, although other routes may also stop close to the entrance.

PLEASE NOTE: NCT do not accept card payments on-board and do not offer change. See [www.nctx.co.uk](http://www.nctx.co.uk) for full details.

## **Coach:**

Most coach services drop-off passengers in Station Street, next to Nottingham train station. Check with your operator.

## **Air:**

East Midlands Airport (EMA) is the closest airport. If arriving at EMA take the regular Skylink Nottingham Express service to the City Centre and make way to campus from there.

Birmingham Airport (BHX) can be connected by rail from Birmingham International Rail station to Nottingham Station (see Rail section for further details).

Please feel free to email [jane@bgs-transfusion.org](mailto:jane@bgs-transfusion.org) if you have any queries regarding travel.
